張大力，2016.3

Zhang Dali is widely known as one of the first graffiti artists in Beijing. He used three distinctive tags: an outline of his bald head, representing himself as well as an abstract person, "AK-47" as a tag to express violence, and "18K" to symbolize wealth. He continues to be an influential figure in Chinese socio-political art movements today.

張大力被廣認為北京首批塗鴉藝術家之一。他常運用三個獨特標誌，當中包括其光頭輪廓，代表自己與一位抽象的人物；「AK-47」代表暴力；「18K」象徵財富。時至今日，張氏依然是中國社會政治藝術運動中別具影響力的人物。
